Last Name (Please Print)	First Name		Middle Init	
Street Address	City		State	Zip Code
Relationship To Member	Birth Month	Birth Day	Birth Year	
I may change this designation of Beneficiary at any time via this form or via the website at www.nettipf.com				
Signature Of Member:		Date:		

Please be aware that your designation of the above Primary and/or Contingent Beneficiary is the only information on which the Fund will rely in determining the person(s) you have chosen to receive the Single Payment Death Benefit and/or the Thirty-Six Month Annuity for unmarried participants upon your death. If you designate your current spouse, the death benefit will be paid to that person only if he or she is your lawful spouse at the time of your death or unless the Fund is otherwise directed by an appropriate court order. For this reason, it is important to keep your beneficiary designation current.

You may change your designation at any time either by mailing in a new Beneficiary Form or through the Fund's website at www.nettipf.com. To submit a change through the website, click on the Member Login button, enter your pre-assigned Member ID and Password and then click on the Beneficiary Info Button. If you forgot your password or one has not already been assigned to you, click on the Member Login button and then click on either the Register or Forgot Password button.

Please note that this designation does not pertain to the monthly pension benefit that is payable to a qualified surviving spouse. Under federal regulations, the qualified surviving spouse of a vested participant who dies prior to retirement is automatically entitled to a monthly pension.
