Dear Pensioner:

We are pleased to offer you the opportunity to have your monthly pension check electronically deposited directly into your checking or savings account. To take advantage of this service, you must complete the Authorization Form on page 2 of this notice and return it to the Fund Office.

Section A Instructions Please fill out Section A completely and accurately. It is extremely important that you sign and date the bottom line in Section A. If your Depositor Account is a joint account, the joint account holder must also sign and date where indicated. **If you do not sign and date Section A of the Authorization Form, we will not be able to process your request for Direct Deposit.**

NOTE: In accordance with the Plan's Rules and Regulations, no Participant, Pensioner or Beneficiary entitled to any benefits from this Pension Plan shall have the right to assign, alienate, transfer, encumber, pledge, mortgage, hypothecate, anticipate, or impair in any manner his or her legal interest in any of the assets of or benefits payable by the Pension Fund. For this reason, the Depositor Account identified in Section A must be in your name, either singly or jointly.

Section B Instructions If your Depositor Account is a Checking Account, attach a **Voided Check** bearing your name to Section B. Please make sure that your voided check has your name pre-printed on it. **If you do not attach a voided pre-printed check to Section B, we will not be able to process your request for Direct Deposit.**

Section C Instructions If your Depositor Account is a Savings Account, attach a **Pre-Printed Deposit Slip** bearing your name, account number and bank routing number to Section C. If you do not have a pre-printed Deposit slip, please have Section C completed by a representative of your financial institution. **If you do not attach a pre-printed deposit slip or have a representative from your financial institution complete Section C, we will not be able to process your request for Direct Deposit.**

After your completed Authorization Form is returned to the Fund Office, you should plan on about a 45-day waiting period before the initial direct deposit of your monthly benefit. You will be contacted if additional information is necessary. In order to prevent any interruption in the payment of your pension, you will continue to receive your monthly pension check by mail during this initial processing time. As soon as your request has been successfully processed, your monthly benefit amount will be electronically deposited into your Depositor Account on the **first business/banking day of each month**. You will receive a written verification from the Fund Office in advance of the date of your first electronic deposit. If you change your Depositor Account or Financial Institution in the future or wish to terminate the electronic deposit of your pension benefit, please notify the Fund Office in writing.

IMPORTANT: PLEASE KEEP YOUR ADDRESS CURRENT with the Fund Office. There may be many important mailings throughout the year, especially the mailing of your Form 1099R for tax reporting.

If you require additional information in completing the Authorization Form, we suggest that you contact a representative of your Financial Institution for assistance.

Sincerely yours,
Pension Fund Office
